

Safeguarding at Whitehall Infant School

What is safeguarding about?

At Whitehall Infant School, all of the adults around you think that your health, safety and welfare are very important. In our school we respect our children and want to keep you safe and help to protect you.

We do our best to help you to make good progress in your school work and to be happy.

We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

How will we protect you?

- We will provide a safe environment for you to learn in.
- We will ensure that you remain safe, and as safe as you can be at home as well. We think it is important for you to know where to get help if you are worried or unhappy about something.

If you need to talk – we will listen!

- You can talk to any adult in school.
- Tell a friend and then go with your friend to tell an adult.
- It is Mrs Bringan's and Mrs Chavda's special job to keep you safe - talk to them if you are worried. Even parents are welcome to come and speak to them if there is a concern about the safety or happiness of children.

Assistant Headteacher

(Deputy Designated Safeguarding

Don't keep it a secret if someone is:

- Upsetting you;
- Saying funny things to you that you do not like or which upsets you;
- Touching you in a place they shouldn't (remember the PANTS rule);
- Hitting you or hurting you;
- Taking your things;
- Sending unkind messages on the internet or to a phone.

Parents, in the morning please inform a member of staff if there has been anything significant that might affect your child's mood that day or if there has been any injuries.
